**POOL ASSIGNMENT:** Meet Management will determine the distribution of swimmers into session ends.  
All Evening Finals will be held in the Deep End.

**COMPETITION RULES:** Sanctioned by Swim Ontario.

All current Swimming Canada rules will be followed.

All swimmers are permitted to race with the swimwear of their choosing at all competitions sanctioned by Swim Ontario. It is not required to declare the choice of swimwear to the Referee if the fabric of the swimwear is a permeable open mesh textile and would not reasonably be seen to create a technical advantage in terms of speed, buoyancy, or endurance.

Please note that [Swimming Canada Competition Warm-Up Safety Procedures](#) and Swim Ontario warm-up safety rules will be in effect. Details [HERE](#)

Depending on swimmer count in the sessions, any warm-up may be split into two parts and teams may be assigned lanes. If lanes are assigned, then coaches are expected to supervise their lanes.

**DIVE STARTS:** As per the Facility Rules for Dive Starts, this competition will be conducted as follows:

Starts will be conducted from Starting Platforms (blocks) as per World Aquatics II.16.1.4 and 4.1, Swimming Canada C16.1.4.1, C4.1.1 & C4.1.2

- at the end wall for the deep end AND
- on the bulkhead positioned at the midpoint in the pool for the shallow end.

**AGE-UP DATE:** The competitor's age is determined as of the first day of the competition, **Friday, February 23, 2024.**

**Birthdays that fall AFTER the WOSA SC Champs Age-Up Date & BEFORE applicable same-season Provincial-level SC meets** - if a coach wants to have a swimmer compete in a de-qualified event for the purpose of achieving a Festival/Provincial time in the next age group, they must enter the swimmer as exhibition for this swim in their current age group. See the QUALIFYING / DE-QUALIFYING INFORMATION section below.

**ELIGIBILITY:** All athletes must be registered as Competitive swimmers with Swimming Canada and have a valid Swimming Canada registration number. Entries without a valid Swimming Canada registration number and registration status will be declined entry.

All swimmers must be registered with a **Western Region** club and be in good standing.

**RECORDS:** Coaches are asked to inform Meet Management of any potential Swimming Canada and/or Swim Ontario record attempts.

Swim times achieved at this event will be eligible for Provincial and National Records. Swim Ontario has a certified pool length survey (25m and 50m pool only) for the aforementioned swimming pool.

**QUALIFYING /  
DE-QUALIFYING  
INFORMATION:**

**For all Events:**

- The qualifying standards for entry are the Western Region Qualifying Standards.
- Stroke 50 events (50 fly, 50 back & 50 breast) are **NOT** eligible for use in qualifying for this meet. **EVERY** swimmer must qualify in some other event. Stroke 50 events can **ONLY** be used as bonus swims.
- Swimmers are not required to enter all events that they have qualified for.
- Valid SC and LC entry times will be accepted and not converted. See Appendix B.
- Any 12 & Under swimmers qualifying for the Ontario Festival Championships Winter/Summer are de-qualified from that event but may swim that event as exhibition.
- Any 13 & Over swimmers qualifying for the Ontario Swimming Championships are de-qualified from that event but may swim that event as exhibition.
- It is incumbent on the coaches to make sure over-qualified swimmers are entered as exhibition in those events, whether the qualification was in LC or SC.
- Stroke 50s (50 fly, 50 back & 50 breast) will use the Swimming Canada National Easterns/Westerns Standard for de-qualification. Swimmers achieving the de-qualification standard may enter as exhibition.
- Athletes achieving the de-qualification standard on an event may only enter the event as exhibition and will be ineligible for awards and scoring in that event.
- If an athlete is de-qualified from every qualifying event, the athlete is only eligible to compete exhibition and is NOT eligible to compete in relay events.
- If the competition is oversubscribed, exhibition swims will be removed from the competition.
- If you are entering an event as exhibition, please set the entry as exhibition in your entry file.
- There are NO qualifying or de-qualifying standards for PARA events. See PARA Entries section.

**BONUS SWIMS:**

Any swimmer qualifying in one (1) or more events using the Western Region Qualifying Standards is eligible to enter bonus swims until they are entered in the maximum of 3 individual events per day.

The 1500/800/400 free and the 400 IM may **NOT** be used as bonus swims.

**PLEASE DO NOT SET THE BONUS SWIM FLAG ON YOUR ENTRIES.** We will assume that all swims slower than the Western Region standard AND the Stroke 50s are intended to be Bonus Swims. Please do not set the bonus swim flag on your entries. We WILL remove them on our side, if set, but please save us the work. We are making this request to save us the manual work caused by the inability to send the bonus flags for teams that are using entry systems that utilize the sd3 file format to upload their entries.

**CONVERSIONS:**

Long Course times are to be submitted without conversion and they will be seeded as described below.

- SEEDING:** Pre-meet seeding, including exhibition swims, will be in the following order:
1. Entries with qualifying short course (metres) times.

- Coaches will be sent confirmation in the form of an entry list after receipt of your club's entries. Please contact Meet Management immediately if there is a discrepancy or issue of any kind.
- DECK ENTRIES:** Deck Entries are **NOT** permitted.

**MARSHALLING:**

All Shallow end heats will be marshalled on the shallow end deck due to the bulkhead starts. Swimmers will move onto the bulkhead from the scoreboard side. Swimmers are not allowed to go directly to their lane from the audience's side.

**Finals will also be marshalled on the shallow end deck.** The timely arrival of the 8 swimmers **AND** the 2 alternates for marshalling is important. For finals, failure to arrive for marshalling before a swimmer's heat is sent past the middle bulkhead will count as a no show, the alternate will swim, and the penalty (as described below) will be assessed to the late swimmer/no show. Please see scratch rules below.

**SCRATCH RULES:**

Swimmers will not be penalized for scratching from preliminary/timed finals heats.

The scratch deadline for all preliminary and timed finals sessions will be 30 minutes prior to the start of the session. Coaches, we would appreciate you reporting any scratches prior to this deadline so that the session heat sheets can be as accurate as possible for key officials.

**Finals Scratch Deadline: One (1) hour after the completion of the preliminary session.**

**Finals Scratch Fee:** The Top 16 swimmers in the posted official results for a preliminary event are subject to a \$25.00 penalty for failing to scratch by the deadline. The fee does not apply to those ranked 21<sup>st</sup> or higher prior to scratches. The swimmer will **NOT** be permitted to swim in any further events until the penalty is paid. The penalty will be payable to the host club. Coaches are required to ensure that all of their swimmers know if they are in the top 16 swimmers from the preliminaries. Scratch forms, available in the office, must be filled out and submitted to the office by the scratch deadline. Coaches should check scratch sheets and/or posted results to ensure that **THE OFFICE** has crossed out their swimmer if scratched. Swimmers crossed out without scratch forms submitted on time are **NOT** considered scratched until forms are submitted, and the penalty is paid. Once heat sheets are printed for finals, the fee will only apply to the top 8 swimmers in each final, and the 2 alternates **AND** only if they were in the top 16 swimmers in the posted official results for the preliminaries for that event. Scratches include no shows and step downs.

**Suggestion:** If you know that your swimmer will NOT be attending finals, consider entering them into preliminaries as exhibition.

**AGE****CLASSIFICATIONS:**

Male and female:

- **Individual:** 10 & Under; 11; 12; 13; 14; 15; 16 & Over
- **Relays:** 10 & Under; 11 - 12; 13 - 14; 15 & Over

**PARA:** PARA swimmers will be officiated under WPS Swimming Rules.

**PARA ENTRIES:** There are NO qualifying or de-qualifying standards for PARA.

PARA events are as follows:

**50 Free S1-S14, 100 Free S1-S14, 200 Free S1-S14, 400 Free S6-S13**  
**50 Back S1-S5, 100 Back S1-S14**  
**50 Breast S2-S3, 100 Breast S1-S14**  
**50 Fly S1-S7, 100 Fly S8-S14**  
**150 IM SM1-SM4, 200 IM SM5-SM14**

- PARA **400 Free S6-S13** will be Timed Finals.
- PARA events (other than the 400 Free) will swim preliminaries and the top 8 swimmers by points will compete in PARA events in finals, seeded by time.
- PARA swimmers who have achieved the age group standard in any event may enter that event as age group. A PARA athlete may swim as either age group or PARA in any event they qualify for, but **NOT** both. There will not be separate PARA awards for age group events.
- PARA only events will be in the 400 event number series. See event file and **Appendix A** below.
- **Coaches must indicate each PARA classification with their entries: for PARA swimmers entered into the age group events AND for PARA swimmers entered into the PARA (400 series) events.**
- **PARA Swimmers 12 & Under** – PARA events only: PARA will swim in the 12 & Under session with their peers in the age group events. These results will be moved to the 400 series PARA events for scoring.

**Meet Management reserves the right**, if session lengths demand compression, to:

- Send PARA events with 8 or fewer entries directly to finals, seeded by entry times.
- Manually combine PARA preliminary events with the age group events, seeded by time. In that situation, **PARA swimmers would compete in age group heats during preliminaries, seeded by time, then compete in a PARA swimming final during the finals session.** Once the preliminary event has been completed, the results will be manually moved into the 400 series event.

**MANAGEMENT  
ITEMS:**

Meet Management reserves the right to, and teams will be informed if we:

- Reduce the bonus swims in a session or event, slowest to fastest, with entry fee refunds.
- Split session age categories to ensure proper session lengths.
- Adjust warm-up and session start times.
- Split warm-ups into two parts.
- Move events or heats within or between sessions.
- Make day-of decisions to combine heats of the same stroke and distance.
- Split sessions to respect the 4.5-hour session length limitation.
- Combine age groups (senior seed) 1500/800/400 Free and 400 IM if demand and time limitations warrant.

The 1500 and 800 Free will swim fastest to slowest. The 1500/800/400 Free and 400 IM will swim as timed finals.

**Racing 2 swimmers per lane is no longer permitted in Ontario.** Meet Management reserves the right to move heats or limit the number of heats in an event, or split sessions if a session will be over 4.5 hours. Preventing any qualified swimmer from swimming an event will be an absolute last resort.

**Coaches are responsible for their swimmers' conduct and knowledge of the Safety Procedure Rules.** Before arrival, coaches are responsible to inform their swimmers of the Safety Rules as contained in this package, to ensure the athletes' adherence to these rules and to discipline the athletes' behavior if necessary.

Meet Officials will provide a safe environment and an organized competition. Meet Officials are **NOT** responsible for the supervision of the athletes during the competition and especially during session breaks.

**GLASS CONTAINERS** are strictly prohibited in and around the deck area.

Sprint Lanes (lanes 1 and 8) will be available for the last 20 minutes of warm-ups. Lanes 1 and 8 will be used for Sprinting and are designated as diving lanes. The sprint lanes are one direction only. After the dive the swimmer must leave the lane. PARA warm-up lanes and Backstroke sprint lanes may also be designated, will be announced, and then will be controlled by the Safety Marshals.

13 & Over preliminaries will swim combined age groups (senior seeded) and will be separated into designated age groups for finals.

There will be an "A" final only for male and female 13, 14, 15, and 16 & Over age categories and PARA.

Coaches must have relay cards filled in and returned to the Clerk of Course or Meet Office **at least 30 minutes** prior to the start of the relay events.

This meet will be scored. (see SCORING)

Meet Management understands that not all clubs host meets and have officials. On the other hand, most clubs are still working to rebuild the ranks of their officials. This host club is no different. **All clubs are encouraged to offer 2 officials per session that they are participating in.** We at LAC are proud of our record of helping aspiring senior officials get the experiences that they are seeking!

- CANCELLATIONS:** In the event of unforeseen circumstances beyond the control of the City of London or London Aquatic Club, (for example but not limited to; weather interruptions or facility malfunctions) that force the cancellation of all or part of the meet, a partial refund **may** be granted at the discretion of the Meet Manager.
- COACH'S REGISTRATION:** Meet Management will cross-reference the list of coaches in attendance at this competition with the [Swim Ontario Compliance lists](#). If a coach is not on this list, Meet Management is obligated to enforce the Swimming Canada policy and not permit that coach to attend the meet. Meet Management will forward Swim Ontario a list of coaches who they have found to be in non-compliance.
- TIME SPLITS:** The procedure for obtaining an 'Official Split' now requires that coaches make the request to the Session Referee or Meet Management on a timecard (provided by the Meet Office) prior to the race. The split for the lead-off leg in relays will still be regarded as an official split and therefore no request by coaches is needed for relays. However, in the new 'mixed gender' relays, lead-off times/splits are not considered "official splits" as per international practice.
- Official Splits:** Meet Management requires that any coach wishing to rely on a time achieved by the swimmer for an interval shorter than the total distance of the event shall so advise the Referee at least 30 minutes prior to the commencement of the session in which the event will take place. **Please note that the coach must provide 3 timers to complete this official split if it will NOT occur at the same end as the finish of the race.**
- Event finals (sessions 5, 10 and 15) are not eligible for official splits.**
- SCORING:** The meet will be scored as follows:
- Individual and Relay events will be scored, 1<sup>st</sup> to 8<sup>th</sup> place, on a scale of 9-7-6-5-4-3-2-1.
  - If there are fewer than 8 entrants, the event will be "reverse-scored". (For example, if there are three (3) entrants, the event will be scored 3-2-1.
  - PARA scoring will be based on number of entrants and will be scored the same as age group swimmers.
  - Result times that are slower than the qualifying time for the event are still eligible for scoring.
- AWARDS:** **Individual Events:** Medals 1<sup>st</sup> to 3<sup>rd</sup>. Ribbons for 4<sup>th</sup> to 8<sup>th</sup> for individual events by age group.  
**Relay Events:** Medals for 1<sup>st</sup>. Ribbons 2<sup>nd</sup> and 3<sup>rd</sup>.
- PARA AWARDS:** Medals will be awarded in IPC eligible events only using the British Paralympic Points (LC and SC Meters only) and shall be awarded on a "mixed gender" basis to the top 3 swimmers in each event. In order to award gold, there must be at least 2 competitors, to award silver there must be at least 3 competitors and to award bronze there must be at least 4 competitors in the event.
- MEET RESULTS:** The meet will run on Hy-Tek Meet Manager.
- Results will be posted on the LAC website: [www.londonaquaticclub.ca](http://www.londonaquaticclub.ca) as quickly as possible.
  - Final results will be uploaded to [www.swimming.ca](http://www.swimming.ca) within 48 hours of the completion of the meet.

Unofficial results will also be posted to Meet Mobile following each event.

**MIXED GENDER:** An exemption from the requirement to swim events in gender separated events due to limited time, developmental opportunities or facility requirements and/or due to a missed swim, where on an exception basis, a Referee agrees to have the swimmer swim with a heat of an opposite gender event.

In spite of these exceptions, any swimmer who achieves a record time at a competition that recognizes records at any level (regional, provincial, national, etc. whether age group or open) will not be recognized for that record unless the coach has advised the Referee prior to the start of the session that there is a possibility of the record being broken, and the Referee ensures that the swimmer competes with competitors of the same gender for his/her heat.

In the event that mixed gender swims are permitted, the results must still be posted separately by the gender of swimmers.

**DURING THE MEET:**

**Parking:**

### City Of London By-Law

#### Single Use Disposable Water Bottles

According to the City of London by-laws, single use disposable standard water bottles can no longer be sold at events hosted at city-owned facilities.

We will continue with our Maximize Waste Diversion. Water coolers / city water taps will be available for water needs for our Athletes, Coaches, Officials, and Volunteers.

Please make sure that you bring a refillable water bottle with you to our meet

The City of London, Swim Ontario and the London Aquatic Club would like to ask you to play your part to [Maximize Waste Diversion in London](#).

This is how we can make a difference

- Eliminate non-refillable water bottles at the pool
- Bring along your favorite water bottle

The London Aquatic Club will provide refilling stations on the pool deck for all **Athletes**, **Coaches**, **Officials** and **Volunteers**.

At the conclusion of a large meet we recycle 90% (hundreds and hundreds) of all the non-refillable water bottles. Let's eliminate the hundreds of non-refillable bottles being sent to recycling.
