The full interpretation can be viewed [HERE](#). Advanced notification or for clarification of interpretation please see the Competition Coordinator.

AGE UP DATE: Ages submitted are to be as of May 4 2018

MIXED-GENDER: The host seeks an exemption from the requirement to swim events in gender separated events for the 800 m and 1500 m freestyle, on the following basis:

Due to facility or time limitations, swimming separated by gender would not permit all swims to be completed while offering reasonable opportunities to swim for all participants, and in particular on an equitable basis for swimmers of each gender.

Mixed gender swims may also be permitted when, due to a missed swim, it is necessary for a referee to seed a swimmer in a heat of the same or shorter distance, for competitors of the opposite gender, on an exception basis.

In spite of this rule, any swimmer who achieves a record time at any level (regional, provincial, national etc, whether age group or open) will not be recognized for that record unless the coach has advised the referee prior to the start of the session that there is a possibility of the record being broken, and the referee insures that the swimmer competes with competitors of the same gender for his/her heat.

In the event that mixed gender swims are permitted pursuant to this policy, the results must still be posted separately by the gender of swimmers.

ELIGIBILITY: All athletes must be registered as Competitive swimmers with SNC, or any other amateur swimming organization recognized by FINA. A valid SNC registration number is required for all Canadian swimmers, and entries without a SNC registration number will be declined entry

This is an invitational meet. Participation of this meet is at the full discretion of the host club.

Meet Management reserves the right to further limit individual swims to 3 per session and to limit heats if necessary to keep session times to within 4.5 hours.

If a coach is not on this list, meet management is obligated to enforce the SNC policy and not permit that coach to attend meet. Meet management will forward Swim Ontario a list of coaches who they have found to be in non-compliance.

COACH'S INFORMATION PACKAGE: Pick up at the timing office off the pool deck

SEEDING: Times will be converted by club and/or host Seeding will be in order of LC times entered

TIME SPLITS: The procedure for obtaining an 'Official Split' now requires that coaches make the request to the session referee or meet management on the "Official Split Request" form prior to the race. However, in the new 'mixed gender' relays, lead-off times/splits are not considered "official splits" as per international practice.

Meet management requires that any coach wishing to rely on a time achieved by the swimmer for an interval shorter than the total distance of the event shall so advise the Referee prior to the commencement of the session (or event) in question.
