MIXED-GENDER:

Notwithstanding Rule SW 10.1, due to facility and time limitations, swimming separated by gender would not permit all swims to be completed while offering reasonable opportunities to swim for all participants, and in particular on an equitable basis for swimmers of each gender. Mixed gender swims may be permitted when, due to a missed swim, it is necessary for a referee to seed a swimmer in a heat of the same or shorter distance, for competitors of the opposite gender, on an exception basis. In spite of this rule, any swimmer who achieves a record time at any level will not be recognized for that record unless the coach has advised the referee prior to the start of the session that there is a possibility of the record being broken, and the referee insures that the swimmer competes with competitors of the same gender for his/her heat.

ELIGIBILITY:

All athletes must be registered as Competitive swimmers with SNC, or any other amateur swimming organization recognized by FINA. A valid SNC registration number is required for all Canadian swimmers, and entries without a SNC registration number will be declined entry. Foreign competitors are welcome, subject to the provisions below.

All swimmers and coaches must be duly registered and residents of the governing body for which they are competing. All swimmers and coaches must be in good standing with their respective governing swim body.

 2. Cancel relays should sessions run late.
 3. Limit number of swimmers in an event and or run events in multiple sessions if necessary.
 4. Limit number of heats in any particular event(s).

SCHEDULE OF EVENTS: See event list - Appendix

COACH'S REGISTRATION:

Meet management will cross reference the list of coaches in attendance at this competition with the [Swim Ontario Compliancy lists](#). If a coach is not on this list, meet management is obligated to enforce the SNC policy and not permit that coach to attend meet. Meet management will forward Swim Ontario a list of coaches who they have found to be in non-compliance.

TIME SPLITS:

The procedure for obtaining an 'Official Split' now requires that coaches make the request to the session referee or meet management on the "Official Split Request" form prior to the race. The split for the lead-off leg in relays will still be regarded as an official split and therefore no request by coaches is needed for relays. However, in the new 'mixed gender' relays, lead-off times/splits are not considered "official splits" as per international practice.

Meet management requires that any coach wishing to rely on a time achieved by the swimmer for an interval shorter than the total distance of the event shall so advise the Referee prior to the commencement of the session (or event) in question.

Coaches must provide 3 timers and produce them to the Timing office in order to get the proper paperwork and stop watches to record the requested Time Split.

DECK ENTRIES:

Deck Entries are Exhibition Only.
They are not eligible for scoring or awards.
Deck entries will be accepted for empty lanes only (no new heats will be created).
Swimmers entered on deck must have valid proof of SNC registration (number) as an active, registered, competitive swimmer.
