

Code of Conduct

-Athlete Rules-

The majority of the swimming experience happens in the pool, involving only swimmers and coaches. Because of this, we cannot ask parents to maintain a constant watch to ensure proper behavior from their children. As an organization with abiding responsibilities for the growth, development, safety and competitive success of dozens of young athletes, the Windsor Essex Swim Team has adopted the Swim Ontario and Swim Canada Codes of Conduct. Our Code of Conduct applies to everyone associated with the Club including swimmers, coaches, parents, officials and volunteers. The Windsor Essex Swim Team strives to ensure a safe environment for its members and endeavors to foster healthy relationships amongst its swimmers. For these reasons, the Club has adopted a zero-tolerance policy.

The rules of the Windsor Essex Swim Team are in effect at all functions, training sessions and meets where swimmers are acting as representatives of the Club.

Occasionally a coach must discipline a swimmer. Depending on the nature of the problem, the coach may speak privately to the individual or to the parents. A swimmer may be asked to leave the pool and remain on deck for the duration of the practice (for safety reasons) or miss a practice or an upcoming meet. Infrequently, a swimmer may be asked to leave the Club. If an issue is not resolved by the coach to the satisfaction of all individuals involved, the issue may be referred to the next level of authority.
